

## **W:.M.: KSLOR 2016 Goals**

### **SPEAKERS BUREAU**

Get guidelines for speakers ready for August 2016 Meeting

Create a database of Master Masons who can proficeinly perform the Masonic Funeral Service. Have their name, city, lodge, phone, and email.

Get list of members to man our table at Leadership Academy and at Grand Lodge Annual Communication. Work in shifts.

Get list of Speakers.

### **PUBLICATION**

Continue placing articles in Kansas Mason.

Need KSLOR article and research paper in each issue or Kansas Mason. Deadlines, March 15, June 15, September 15, December 15.

Have ad in Kansas Mason soliciting research papers. Email Lodge Secretaries to solocite research papers.

Find out which lodges solocit research papers from their members and have them submit papers to us. Such as Infinity Lodge

Canvas long time members of KSLOR to find previously submitted research papers.

Publish a book of research papers in first quarter 2017.

### **RESEARCH**

Continue working with the Masonic Education Committee on the Education in a Box Project.

Get alpha list of Masonic e-books with a link to them, on the KSLOR public web site.

Get alpha list of masonic subjects. When you click on subject it will bring up another web page with list of books and chapter #'s / page #'s to find info on the subject. This will be on the members only web page as one benifit of being a member of KSLOR.

Get Kansas Lodge Histories on website.

### **JURISPRUDENC**

At August mtg call for updates to by laws.

## **The following ideas could be under RESEARCH or PUBLICATION.**

Get graphic artists to create high resolution scalable raster graphics, with meta tags, of masonic clip art. We will then own them & can provide them to our members so that they do not have to worry about coyright infringement. Also would create graphics for research papers. At the 2015 Leadership Academy in the Technology breakout, it was statd that a lot of. Masons are unknowingly are using copyrighted graphics, and could get in trouble.

Get animators to create animated graphics using parrallax, or other technology.

Get videographers to create videos to show a research paper, and education classes.

Get members to create PowerPoint shows for various research papers, and education classes.

Get web designers to keep our website cutting edge.

Use graphic artists, animators, videographers, PowerPoint specialists, etc to enhance or present research topics, abd education classes.

Use above to create a video to show case KSLOR. This will be on web and on a monitor on our table, showing what we do and as recruiting tool.

## **IDEAS TO CONTEMPLATE**

Sell vanity email addresses. For \$5.00 or \$10.00 per year you can have a vanity email address of. your name@kslor.org,. Use this to keep your masonic emails seperate from all of your other emails, etc. This could fund our website and other projects. The cost of our website for 2016 is \$65.00. 13 email addresses at \$5.00 or 7 at \$10.00 would pay for the website. More email addresses would help fund other projects.

Explore a cost effective method to video conferencing of our meetings. This could eventually lead to videocasting a Masonic Education class and recording it for future playback.

Look into digitizing books in Grand Lodge Library and in other Kansas Lodge Libraries. Example Missouri Lodge of Research has adopt a book program for \$250.00, to digitize their books.

Check for college students to do the specialized work (interns). They can put it on their resume that they worked for a non profit.

Get list of all Past Masters of KSLOR.

## 2016-2017 Tentative Meeting Dates

21 May 2016 - Abilene area lunch meeting.
